

Legal & Introduction [Copy in PDF format](#)

Anger is just energy, we generate, when there is a difference, between what we think we want, and what we think we have. Anger comes in many names and forms like terror, fear, anxiety, bored. Lust, greed, pride... They all have the same generic name below of “anger”.

There are two types of anger, corrosive anger, and authentic anger. Corrosive anger is just energy to change what is, to something worse. [Corrosive anger](#) is just unhealthy energy and the ultimate source of our lack of health, abundance and joy. Authentic anger is just energy to change what is, to something better. [Authentic anger](#) is just healthy energy and can produce a Garden of Eden on our planet.

My publications and coaching, are concerned with helping to make you aware, of how you can choose to transform your corrosive energy, into your authentic healing energy. You can then choose to live a better life, on your journey, to the life of your dreams. Only hire me, when you are ready to find out how to transform your corrosive energy, into useful authentic healing energy, to do what you really want to do, at your highest levels. Only hire me, when you are ready to be grateful, and responsible, for your own past and present results.

One of the major premises, of my publications and coaching, is that we are totally responsible, for our own results, from our own decisions. We are the ones who decide, what to accept, reject or modify from others. We are the ones, who got ourselves to where we are, and have made countless previous decisions, including how to respond, to the decisions of others.

My responsibility, is to write and tell, what I know has worked for me, and some others, in my experiences, and what I believe so far. I only know what works best for me, and some others. You will need to determine what works best for you, since everyone is unique. It is up to you, to find your own inner and outer team resources, and your own choice, of your spiritual growth path.

When you need medical or other information, please go to the medical or other experts, of your choice. I am not here for direction. I am just producing information, for your consideration and choice. **H**OT BUTTON REMOVER by Mike Foster, MA, mikemikef@gmail.com.

When I am Upset, I am *Judging*. I am *Judging* with the *Right Hand Rule*, where my pointing finger, points at Them, & my thumb points up at God & Three fingers, point back at Myself.

I can say: "*I Forgive Myself, for Miss Judging Them, Myself, or God, as any NAME.*" [NAME'S that I call Myself, Them, or God].

Example: "*I Forgive Myself for Miss Judging, Them as Ignorant.*" "*They are doing their best, that they can, with their Judgments.*"

My EGO [PRIDE] will try to stop me, from saying these exact words, but when I forgive anyway, any *NAME, enough times, I will be at Peace, about THAT NAME.* Then, there will be more names, to forgive. (c) 2010 CALL:(USA) C1-MIKEE
